
❖ OSV NEWS UPDATE #8 ❖

AUGUST 2017

Home and Yard of the Month—We would like to congratulate **George and Sabrina Bennett, 189 Oceanside Drive**, for winning the Home and Yard of the Month award for August.

Golf Cart Parade Winners—There were 67 golf carts and 3 bicycles in our July 4th golf cart parade this year. The winners were:

- 1st Place—Pete Skwiers, 254 Melody Gardens Drive
- 2nd Place—Arden Harley, 1541 Mason Circle
- 3rd Place—Ken Archer & Marcel Phillips, 245 Melody Gardens Drive

Everyone's golf cart looked fantastic, and we congratulate all the winners. The picnic was also a great success with 286 homeowners and visitors being served.

Labor Day Picnic—On **Sunday, September 3rd**, everyone is invited to our Labor Day picnic. Come join us at the outdoor pool **from 1:00 to 2:30 p.m.** The menu will include hamburgers, hot dogs, baked beans, coleslaw, potato chips, cookies and soft drinks. There is no charge for this event.

Trash Pickup—The last Tuesday trash pick-up will be Tuesday, August 15th with the exception of Tuesday, September 5th. There will be an extra pick-up due to the Labor Day weekend. Trash pick-up will go back to the regular Saturday pick-up.

Water Conservation—We are asking all homeowners **not to water their lawns between the hours of 10:30 a.m. and 7:00 p.m.** Anyone watering their lawns between the above hours will be asked to stop. We thank everyone in advance for their cooperation in this matter.

October Newsletter—We are starting to put together the October newsletter. We are looking for articles, pictures, jokes and anything of interest to our homeowners. Contact Susan on Saturday at (843) 650-4440 or articles can be sent by e-mail to smartinosv727@aol.com. **Deadline is August 25th.**

Hurricane Season—We are now into hurricane season. This is the time to start monitoring the weather closely. When a storm is tracking our way, remember that with high winds everything outside becomes a projectile. If a storm watch should go into effect, homeowners should secure any outdoor items. We want to make things as safe as possible and, as always, be prepared.

Summer Mowing—Please take the time to read the information on page two that explains the summer mowing issues in Oceanside Village.

Water Heaters—Please check the condition of your hot water heater. Rust or corrosion on pipes and connections or water in the pan are sure signs of problems which need immediate attention. It would be a good idea to check the water supply lines to your toilets, sinks and icemakers, to ensure they are in good working order as well. Preventive maintenance works wonders to eliminate future problems.

Come be a Volunteer!!! For more information, please contact the Oceanside Village management office at (843) 650-4440.

Join us at the **Worship Service** every Sunday at 9:00 a.m. at the Community Center.
