Wednesday 5 p.m. to 7 p.m.

Pool Hours

10:00 a.m. to 10:00 p.m.

Compliance Corner

PERMIT GUIDELINES

If you are thinking about doing improvements outside of your home, please remember the following will likely need a permit as well as a drawing:

All painting must have swatches of colors attached to the permit (including white and black).

No spray painting is permitted.

All roofs must be shingled-no metal roofs are allowed except in Bermuda Bay.

Sheds must be constructed of similar material as the house and attached to the house. Rubbermaid sheds are only allowed on Egret, Falcon, or the west side of Gannet and MUST be backed up to the side of the house unless permission has been given by management. See page 4 of the Building and Grounds guidelines.

Retaining walls are the sole responsibility of the homeowner and must be approved.

All fencing must be approved.

Removal and planting of trees and shrubs require permission.

When using a contractor, they must remove all construction debris by Friday at 4:30 p.m.
